OH! And by the way....

- Welcome to the Center for Human Services Resource Barn! We are going paperless!
Core Participants...
Lessons Learned

• Social Workers often come to Core not knowing who their field advisor is.

• Field Advisors and Social Workers should have a conversation at the beginning of Core to develop agreements, roles, and start planning for field activities.

• Counties should have a plan for who will be Field Advisors ahead of time BEFORE Social Workers begin Core.

• Instructors/Academy will give several reminders through e-mails and in the classroom about field activities.

• Social Worker Passport and Guide will have field activities listed and a link to the field activity completion survey.

• Field activities may sound overwhelming but they aren’t such a big deal – they are OK!
Field Advisor Training Requirements

• Field Advisors may be the social worker’s supervisor or other designated person who will support the worker as they complete their field activities.

• All Field Advisors must complete the following training requirements:
  – Attend the two-day Coaching Institute
  – Attend the Field Advisor and the Field Guide Course AND pre-requisite eLearning course (link to this eLearning course is provided in your confirmation letter for the classroom course)
Field Advisor Roles & Responsibilities

The field advisor will meet with and support the new social worker before, during, and after identified field activities as follows:

1. *Promote a learning environment and utilize appropriate coaching strategies, tools and techniques to promote desirable and sustainable growth for the worker.*

2. *Promote knowledge and skill development that aligns with the desired practice.*

3. *Track completion of field activities.*
Field Activity Guides

- Field Activity Guides are provided for each field activity that includes the following information:
  - Learning objectives for the activity
  - Description of the activity
  - Field Advisor and Social Worker tasks:
    - Before the Activity
    - During the Activity
    - After the Activity
  - Applicable worksheets / resources

- Please note: Field activities should be completed using active cases whenever possible.
Tracking

• Field Advisors are tracked by the Academy on a master list that includes:
  – County
  – Field Advisor Name
  – Trainings completed (Coaching Institute & Field Advisor Training)
  – Social Workers in each cohort and their Field Advisor

• Field Activities are tracked using a Qualtrix survey that is completed by the Field Advisor after each field activity is completed:
  – Link to the survey is included in the Field Advisor Guide currently in development) and in the Social Worker Guide to Completing Core
Upcoming Field Advisor Training

• Coaching Institute:
  – January 30-31, 2017 (Davis)

• Field Advisor and the Field Guide:
  – February 1, 2017 (Davis)
